

Science Supply List – Grade 7-10

2 Composition Notebooks

Ruler

Glue

Colored Pencils

Scissors

Pencil Case

Calculator *

*7th and 8th Grade – calculators from the dollar store are acceptable. 9th and above need a calculator that can perform trigonometric and logarithm functions. The Ti-30Xa is recommended since it can be used for both math and science and can be found for less than \$10.00 at Target.

For all students taking Algebra II or above (9th, 10th, 11th and 12th)

-Calculators. TI-84 plus CE Graphing calculator is the recommended model.

(Phones will not be allowed)

-1.5 inch 3 ring binder with dividers
