### School News:

Corrales International School is making some changes for the 2019-2020 school year. We have decided to take part in the New Mexico Extended Learning Time program. We are joining 338 (so far) other schools around New Mexico in providing more days to our instructional calendar.

#### Why?

- The Legislature, in attempting to comply with a legal ruling that more funds need to be spent on education, has made this program optional for this year (2019-20). We believe that next year (2020-21) it may be mandatory for all schools. CIS is making the change while support is being provided by the State.
- The program allows us to provide more support to our students during and after school.
- CIS will receive more funding for our academic program.
- Our teachers will receive 80 hours of in-service training beyond the teaching schedule.

#### What does this mean?

- The school calendar will change. We will start school with an orientation day on August 2, 2019. Between 8:00 AM and noon students and parents will be able to meet the teacher, get schedules and agendas, drop off supplies, pick up syllabi (MYP), order and pick-up uniforms, and get pictures taken for ID's.
- Our first full day will be on August 5<sup>th</sup>, 2019. The last day of school will be May 22, 2020.
- Our daily schedule will also be changing slightly, to hopefully promote better attendance. On Monday, Tuesday, Thursday and Friday school will start promptly at 8:00 AM and end at 2:30 PM. On Wednesdays CIS will start at 8:00 AM and end at 1:30 PM. The gates will still open at 7:30 AM and Kindergarten and 1<sup>st</sup> grade will be released about 10 minutes early.
- For after school, we will be working with Permaculture to offer good, affordable care. As part of the Extended Learning Time Program CIS will also be offering an academic component to after school time. More about this as we develop how the program will best support our students.

Please look for more updates in the future! See the 2019-20 calendar below.

**\*\*If you have friends or family who are interested in bringing their children to Corrales International for the 2019-2020 school year, the application link is on the CIS website. We still have some spots in MYP but please tell them to hurry, classes are filling up and waitlists are forming.\*\***

If you have decided to withdraw your student for the upcoming school year, please let us know so we can fill the spot. I would hate for someone to miss out because we didn't know we had space available.
