

Corrales International School

Physics 202-21

Ms. Scharrer

Physics is the branch of science concerned with the understanding the nature of matter and energy as well as their interactions.

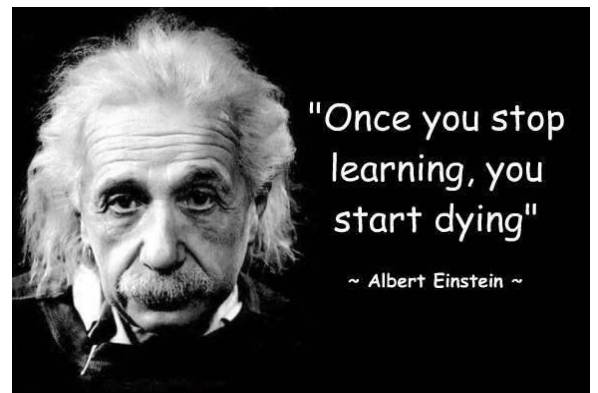

Course Content: Topics such as Newtonian Mechanics, Thermodynamics, Waves, Optics, Electricity/Magnetism and Nuclear Physics will be presented through both classroom instruction/demonstrations and student-led laboratory exercises.

Student Responsibility

1. I will be positive.
2. I will be engaged.
3. I will show respect.
4. I will participate.
5. My actions...my consequences

Google Classroom Etiquette

1. Be on time! Log on 15 minutes early and have notes, paper and pencil ready. Is your computer charged?
2. Be prepared. Have your camera on and greet your teacher and classmates.
3. Be an active listener. Take paper notes if needed.
4. Be respectful. Use the thumbs up or clapping hands rather than interrupting someone. If you have a question, ask in the chat room so you don't interrupt anyone.
5. Follow the rules in the Internet PPT etiquette.

Grade Value of Assessments and Assignments

Participation 40%

Labs and Assignments 30%

Tests and Projects 30%

Grading Scale

A 90-100%

B 80-89%

C 70-79%

D 60-69%

F 59% and below
