

MYP Parents, Thank you!

Dear parents, The CIS community reminds you of parent teacher conferences on November 18th and 19th. There are some materials that MYP classes need. We humbly ask if you can help us by shopping just for your student. If you buy an item for one subject, you do not need to buy the same item for another class.

Language Acquisition: Construction paper (one package, colored please); one box of Crayola Markers (remember only for your student).

Language and Literature: glue sticks, Crayola Markers, and print paper

Individuals and Society: Kleenex, construction paper.

MYP in general (one per student only)

1 paper towel, 1 Clorox wipe box or jar, and one hand sanitizer bottle (8-12 oz).

Thank you for all your support, CIS-MYP faculty.
