CIS PYP BIWEEKLY NEWS

NUT FREE SCHOOL

The students in PYP presented their projects in class time

CIS' Science Night!

Dear Families,

Science Night was a successful night for the PYP students. Parents and students showed up at 5 PM to briefly observe student projects; then, at 5:30 in the afternoon the families were invited to participate with Explora to “explore” some games to expand knowledge to the students. Due to COVID-19 restrictions, only parents or guardians, and students were allowed inside the school.

We hope soon CIS opens the school's doors to all the school community and volunteers who have previously helped us on CIS' events.

Thank you a lot for all your support, respectfully,

Ana Perea

PTA continue with Save your shoes ... PTA email is: cispta.vp@corralesis.org

Bring us your shoes. We are excited about our latest fundraiser because you don't have to buy ANYTHING!

We're collecting gently worn, used and new shoes to raise money to better support our students socially and in the classroom. All you must do is clean out your closet of shoes you no longer wear that are still in good condition. Not only do you help our students, but the shoes also get a second life with those in need. It's a double donation!

PYP: Transdisciplinary Theme How the World Works (HWW)

Some PYP classes began the third Transdisciplinary Topic: How the World Works, and others with How We Express ourselves, the teacher will contact you with details about your student's inquiry. CIS' social strategy is **Cooperation**.

With these topics and social strategy, we will close the Quarter (December 17th, 2021) to return in January 2022.

Please don't forget that parent conferences are all day on **November 18th and 19th**; there will be no classes. Also, the following week is Thanksgiving week and there will be no school as well.

Mr. Diaz (6th grade) and one of his amazing students

Notes from Admin: Check our messages (text, emails and by phone alerts) we sent information often.

Parent-Teacher conferences are scheduled on the 18th and 19th of November. Check with the teacher(s), and your students about your options (virtual or presential).

CIS has a few openings for students this year. If you know of anyone who is looking for a small, safe, academically rigorous school tell them to apply on our website or call Dawn Jackson @ 344-9733 ext. 118.

We are looking for a few more substitute teachers, if you are interested or know of anyone call Patti Brainard @ 344-9733 ext. 127. **IMPORTANT:** If you are planning to leave your child with the **Community for Learning aftercare, please let them know ahead of time so the student can be registered.**

***Do not send your student to school if she/he had fever or is vomiting, in the last 24 hours. Please contact the school. We all have family that we love and want to protect. On behalf of the CIS faculty and staff, we wish you good health.

The CIS administration.
