### CIS' winter break

Dear parents,

The faculty and staff of CIS wish you a well-deserved winter break. We have finished strong and excited that the next school year will be as fruitful as the 2021 school year.

Teachers will inform you if there is anything that needs to be evaluated during this period or next semester. Each PYP teacher oversees contacting them if they deem it necessary. Please go to our website [corralesis.org](http://corralesis.org) for general information.

We also remind you that CIS has a dress code and therefore we will continue to enforce it accordingly. They can go to the website and look under Parent Resources and hit the Parent Book key. Page 17-20 explains the dress code.

Once again, we remind you that winter break begins on December 20th. We started normal classes on January 3, 2022.
