## Class Participation Rubric <br> MYP Music 2023/2024

A - 90\% - 100\% = Student demonstrates effort at the highest level and models exemplary classroom behavior. Always working on tasks outlined by the teacher. A student participating in class at the "A level" also serves as a leader in class. Student always models positive behavior, attitudes and listening during whole class discussion and when working independently.

B-89\%-80\% = Student generally demonstrates a consistent understanding of all the rules and expectations of the music classroom. Makes regular and positive advancement toward completion of tasks and goals agreed upon by teacher and student. May be occasionally off task or not modeling leadership behaviors expected of IB students at the MYP level. However, student is generally prepared and attitude and behavior is acceptable.

C-79\%-70\% = Understands and completes most of the major components expected in the music classroom as outlined in the music syllabus. Displays acceptable progress towards music goals however, effort, attitude, behavior and listening is inconsistent and possibly gets in the way of the completion of personal goals and well being of classroom environment.

D - 69\% - 60\% = Demonstrates limited and inconsistent understanding of major elements of music curriculum and classroom expectations. Shows poor work and ethic and time management skills that negatively impact student progress in music classroom. Spoken to several times regarding attitude, behavior and listening skills.

F - $\mathbf{< 5 0 \%}=$ Has demonstrated an unsatisfactory understanding of the music curriculum. Consistently displays problematic behavior and attitudes the music classroom, teacher and peers. Does not come to class prepared to work and has been spoked to at least 3 times regarding student's unsatisfactory performance in class.
