CIS PYP

IB Night PYP and MYP Meet the 5th grade Teacher

Miss Nara Olivas is the CIS 5th grade teacher. Her education is in Spanish Psychology and Bilingual Elementary Education. **Note from the teacher:** I have seven years of experience working with elementary and secondary students, one year of which I spent working in Spain as an English teacher.

In my classroom and school the rules are to make good decisions, solve problems and show respect. The students are also expected to know the elements of an IB learner profile, which include being open minded, being reflective, caring, principled, a risk taker, balanced and communicative. As part of this school community, students will be recognized and evaluated for displaying these qualities. I enjoy hiking, reading, and spending time with friends and family. Please do not hesitate to contact me at olivasn@corralesis.org.

Meet the 6th grade Teacher

Mr. Brent Diaz is the CIS 6th grade teacher. **Note from the teacher:** I was born in Spain and spent much of his childhood abroad, eventually settling in Albuquerque. I attended La Cueva High School and Fort Lewis College in Durango, CO, where I graduated with a Bachelor of Arts degree in Southwest Studies. An avid sports enthusiast, I was a member of the 1996 La Cueva High School state champion soccer team and also played collegiate soccer for Fort Lewis College. Go Skyhawks! I enjoy traveling, history, hiking, snowboarding, gardening, playing cards, and spending time with my wife and two children. Please do not hesitate to contact me at diazb@corralesis.org
