

# Dress Code

**Corrales International School requires that all students wear a uniform.**

The Dress Code will be in effect at all times on campus and during all school related activities unless otherwise specified by the school administration. Administration may change the dress code when circumstances warrant. The “School Logo” features a green apple and blue text.

## CIS Dress Code

Corrales International School is proud of our dress code policy, and we hope that these clarifications will provide students and families with clear expectations on what every student uniform should look like. Please note that uniform sections in many stores carry a wide variety of apparel. Just because it is in the store does not mean it meets the CIS requirements. Please take a copy of this dress code with you when you purchase school attire.
